Vision Statement

Pursuing Excellence in Harmony

Mission Statement

We are an “everyman” chorus on a path of continuous musical growth in a spirit of mutual support and fellowship. We share our love of harmony by delighting and inspiring our audiences, reaching out to our community, and supporting music education.

Our Core Values

- **Musical Excellence:** We are on a journey of artistic growth and discovery, always striving to create performances that enchant our audiences. We offer continued support and tools to help our chorus members and quartets on this journey.
- **Education:** We seek opportunities to share our love of Barbershop music with the next generation of singers who represent the great diversity of our community. We demonstrate our commitment to education by forming strong partnerships with local school groups and music educators.
- **Fellowship:** We support each other, share common interests, and become connected outside chorus activities as we build lifelong friendships.
- **Community:** We engage in community-building activities by singing in a variety of venues and contributing financially to charitable causes.
- **Inclusion:** As an “everyman” chorus, we welcome all who enjoy singing in harmony. We manifest this in our embrace of new members, our choices of repertoire, and our outreach to those for whom Barbershop music may be a new experience. While our roots are firmly based in four-part Barbershop harmony, we celebrate other *a cappella* musical styles.
